

# CREIGHTON PREP FOOTBALL

## YARD SIGNS

Support Jr. Jays Football with the purchase of your Creighton Prep Football Yard Sign for your student/athlete. Each sign is designed for your Jr. Jay player. The best part about these signs is the individuality each sign reflects. This means not only the players can get in on the fun. Supporters and Alumni can be part of the excitement as well. All signs are locally made, hand painted, and can withstand the extreme temperature changes Nebraska is noted for. Each stake is 4 foot tall, and very visible from the street, but can also be a conversation piece sitting in a planter in your home or office.
